

Tandem Club National Rally

Dulhorn Farm Holiday Park, Weston Road
Lympsham, Somerset BS24 0JQ Aug 10–17

Joining Instructions

How to get there

The Rally field is on the W side of the A370 just N of the village of East Brent, Somerset. OS Landranger map Sheet 182 Grid ref ST350532

Directions by road: M5 exit junction 22. Head N on A38 for about 1 mile. At rdbt first exit A370 direction “Weston-super-Mare” for about 1.5 miles. Rally entrance is clearly signposted on L. Coming N as directed, the entrance to our Rally field is before the main entrance to Dulhorn Farm Holiday Park.

IMPORTANT! There is a height barrier at the entrance to the rally field. It should be open on Saturday but may be closed at other times.

Arrival

There will be a Tandem Club Welcome Point as you enter the Rally field. Please check in here on arrival.

If you have booked a site with electricity you will be directed to your allocated site around the perimeter of the field where electricity hookups are located.

All other camping sites are numbered and arranged around an oval in the centre of the Rally field. Sites are not reserved or allocated. Once you have chosen your site, please give your site number to the TC Welcome Point so we have a record of where people are in case of emergency.

If you are booked into a cottage on site you can drive to the cottages from the TC Welcome Point via the field gate on your RH side.

Programme

The full programme is set out on a sheet in the Welcome Pack and displayed in the marquee. Maps and other information will be on view in the marquee.

All route sheets and information can be found on the TC website:

<http://tandem-club.org.uk/events/tcn2013/>

Please print off route sheets and bring them with you. There will not be a supply of printed route sheets available at the Rally.

Maps: OS Landranger 1:50,000 sheet 182 covers all short and medium rides. The Long Ride Monday goes onto OS sheet 193 for about 8 miles and the Long Ride Thursday goes onto OS sheet 183 for about 4 miles. However for both these the route sheets and electronic mapping should be sufficient to get you through the small blind spots.

We look forward to welcoming you to the Rally. Have a safe journey to Lympsham.
